

1.40 Ordering target vocabulary – insects

Topic: Animals

Subtopic: Insects

Activity type/skill: Alphabet skills

Literacy focus: Vocabulary

Objective

- Gain confidence and speed in using the Roman alphabet.
- Provide practice in writing the targeted words.

What you need

- Student worksheet (see next page)

What to do

1. Have students look at the words at the top of the worksheet and put them in alphabetical order.
2. Compare and discuss answers.

Extending the activity

- Use the lists for revision and reference.
