

**ELLP Pathway professional development module**  
**Task 3: Comparing the ELLP Matrices and the ELLP Pathway**

Look at these indicators from the ELLP matrices and locate some indicators from the ELLP Pathway that align with them.

**Listening**

Stage 1 (Content):

Curriculum content that reflects what their peers are learning in mainstream classes.

**Speaking**

Stage 2 (Language structures):

Rely less on formulaic chunks and use more independently generated language structures.

**Reading**

Foundation (Vocabulary):

Texts use repeated high frequency words and some words that are lower frequency and topic specific and that are strongly supported by the context.

**Writing:**

Stage 3 (Grammar and punctuation)

Writing shows evidence of independent accurate editing.
