

## 2.20 Target vocabulary – lines

**Topic:** Shapes  
**Subtopic:** Lines  
**Activity type/skill:** Word list  
**Literacy focus:** Vocabulary

### Objective

- Introduce target vocabulary.
- Experience spoken and written forms and their usage.

### What you need

- Student worksheet (see next page)
- Audio track 2.20

### What to do

1. Play track 2.20 (Track 7 for this topic) and have students look at both pages of the student worksheet as they hear each word and its extensions (tense variations and plurals) and the word in a defining context.

always	below	bend	change	circle
copy	direction	distance	divide	edge
equal	flat	leave	main	piece
show	sign	straight	surface	take

2. Have students listen again and repeat the words.
3. Have students copy the words in the spaces.
4. Point out plurals (for example, 'Mika cut the cake into five equal pieces') and changed verb forms (for example, 'The number of sides never changes').

### Extending the activity

- Use the lists for revision and reference.
