

2.41 Recognising target vocabulary – 3D shapes

Topic: Shapes

Subtopic: 3D shapes

Activity type/skill: Bingo

Literacy focus: Vocabulary

Objective

- Recognise three-dimensional shapes and the form and sound of the words.

What you need

- Student worksheet (see next page)

What to do

1. Have students draw a different shape from Activity 2.36 in each box in the first card on the student worksheet.
2. Call out the names of the shapes in random order for students to put a line through the shape on their card. The first student with all shapes crossed out wins.
3. Have students write a different word from the word list in Activity 2.37 in each box on the second card.
4. Have students work in pairs to check spelling and legibility.
5. Call out words in random order for students to put a line through the word on their card. The first student with all words crossed out wins.
