Tupu | Seedling flashcards

High utility non-decodable words

High utility non decodable flashcards for the Tupu | Seedling phase. They can be used in a variety of ways:

- Print them out and cut them up or laminate them.
- Enlarge them on a photocopier.
- Use them when teaching the words in your small-group reading time. You can put them out on a table or the floor or hold them up for children to read.
- Print enough flashcards to give each child their own set of cards at small-group reading time.
- Send the words home so the children can practise learning and remembering them.
 Only send a few words each day to avoid overwhelming the children and their whānau.
- Display them around the classroom as prompts for spelling or use during the day.
